

## **International Antalya**

### **Scientific Research and Innovative Studies Congress-II**

*March 17-21, 2022 Antalya, Turkey*

*Languages: English and Turkish*

Dear scientists, researchers, graduate students, the positive effects of interdisciplinary academic studies on each other make it necessary to work together. Multidisciplinary studies do not only facilitate the work by dividing the work into parts, but also emerge as a factor that triggers innovation and merit. We invite you to join our congress with your scientific studies that integrate different fields.

#### **Fields of study / scope of the congress**

- Social Sciences, Humanities and Administrative Sciences;
- Educational Sciences;
- Natural Sciences;
- Health Sciences;
- Engineering Sciences;
- Architecture, Planning and Design;
- Graduate Researches.

*open to all original studies written in the fields above.*

#### **Participation Types**

- In person participation in Antalya with accommodation;
- Online participation via zoom.

#### **Congress Venue**

Our congress will be held at Porto Bello Hotel (5-star luxury hotel) in Antalya.
